## Dialogue

- Harry: Where were you born, Jasmine?  
Jasmine: I was born in Los Angeles, California.  
Harry: Oh, that's why your accent is pretty good.  
Jasmine: Thanks. How about you?  
Harry: I was born in Seoul, Korea.  
Jasmine: How come you're very fluent in English?  
Harry: It's because I have studied in Canada for fifteen years.  
Jasmine: That's quite a long time. Are you still fluent in Korean?  
Harry: Yes, I am. We speak the language in our house back in Canada.  
Jasmine: What are you doing here in Hawaii?  
Harry: I'm here for a vacation before I go back to Korea. And you?  
Jasmine: I'm also here for a vacation.
